- (b) on an unmarked copy of the main roll and a supplementary roll (called the master roll) draw a

line through the number and name of a voter who is shown on any of the certified copies of the rolls at having received a ballot paper.

(2) If on that comparison, or from the report of a Presiding Officer on the ballot papers set aside under section 74, and after such inquiry as the Commissioner deems necessary, it appears that the same voter has received more than 1 ballot paper, the Commissioner shall;

- (a) in the presence of his or her assistants (if any) and such scrutineers as choose to be present but of no other person, open the parcel or parcels of ballot papers used at the polling booth or polling booths at which that voter appears to have received a ballot paper; and
- (b) select therefrom the ballot papers which appear from their consecutive numbers and counterfoils to have been issued to that voter; and
- (c) disallow a vote appearing to have been given by means of the ballot papers so selected:

PROVIDED THAT, if the Commissioner is satisfied that 1 and only 1 of the ballot papers was lawfully received by the voter entitled thereto and that he or she was not in a way concerned in the issue of the other ballot paper or ballot papers, the Commissioner shall not disallow the vote of that voter under this section but shall disallow the other vote or votes.

(3) Except in the case of the ballot papers so selected therefrom, the Commissioner shall inspect only the consecutive numbers on the ballot papers in the several parcels so opened, and shall so cover the ballot papers that no person present shall have the opportunity of determining the candidate for whom a particular voter has voted.

78. Parcels to be secured after scrutiny – (1) When the Commissioner has selected from a parcel all the ballot papers he or she is required to select therefrom, the Commissioner shall:

- (a) immediately, in the presence of his assistants (if any) and such scrutineers as choose to be present, but of no other person, close and secure the parcel; and

Counting of votes – (1) On completion of the scrutiny hereinbefore directed the Commissioner, with such assistants and such Returning Officers designated under section 75, as the Commissioner deems necessary, and in the presence of such of the scrutineers appointed under section 76 as choose to be present, but of no other person, shall:

- (a) select and open 1 of the parcels of used ballot papers referred to in section 75(1)(e); and
- (b) mark each ballot paper therein with a number in consecutive order, beginning with the number 1, so that no 2 ballot papers in that parcel bear the same number:

PROVIDED THAT the procedure set out in this subsection need not be delayed until the inquiries under section 77(2) have been completed, but the ballot papers from a particular polling booth are not to be counted until any inquiries in respect of ballot papers from that booth have been completed.

(2) When the ballot papers from the parcel so selected have been marked as aforesaid, the Commissioner shall make a record of the last number marked, and shall then, in the presence of his or her assistants (if any) and such of the scrutineers as choose to be present, but of no other person, deal with the ballot papers as follows:

- (a) he or she shall reject as informal a ballot paper—

- (i) that does not bear the official mark if there is reasonable cause to believe that it was not issued to a voter by a Presiding Officer; or
- (ii) that does not clearly indicate the candidate for whom the voter desired to vote; or
- (iii) that has anything not authorised by this Act written or marked thereon by which the voter can be identified; or
- (iv) that purports to vote for more candidates than the number of candidates to be elected:

PROVIDED THAT no ballot paper is to be rejected as informal by reason only of some informality in the manner in which it has been dealt with by the voter if it is otherwise regular, and if in the opinion of the Commissioner the intention of the voter in voting is clearly indicated:

PROVIDED ALSO THAT no ballot paper is to be rejected as informal by reason only of some error or omission on the part of an official, if the Commissioner is satisfied that the voter was qualified to vote at the election:

- (b) the Commissioner shall then count the number of votes received by each candidate, and the number of votes rejected as informal, and compare the result of that count with the certificate of the Presiding Officer in respect of the preliminary count, and shall, where necessary, amend that certificate, and every such certificate shall be initialled by the Commissioner;
- (c) the Commissioner shall then make up and secure the parcel anew, and endorse thereon a memorandum specifying the number of ballot papers contained in the parcel, the number of votes received by each candidate, the number of informal ballot papers, the name of the polling place, and the number of the booth at which the votes were recorded; and the endorsement shall be signed by the Commissioner.

(3) After the ballot papers from 1 parcel have been dealt with in the manner aforesaid, those from the remaining parcels

are to be successively dealt with in like manner, the marking of the ballot papers to commence with the number 1 in the case of each parcel.

(4) The final count of the number of votes under this section is to be conducted by the Commissioner and if he or she so chooses, with the assistance only of his or her full time staff.

80. Declaration of result of poll – (1) When all the ballot papers have been dealt with as aforesaid the Commissioner, having ascertained the total number of votes received by each candidate, shall immediately declare the result of the poll including the number of votes received by each candidate by giving public notice thereof in Form 9 and report the result of the poll to the Head of State. Thereupon the Head of State shall:

- (a) receive from the Commissioner the return of the writ issued by the Head of State to the Commissioner to conduct elections; and
- (b) by warrant under his or her hand declare the successful candidate or candidates to be elected.

(2) Where there is an equality of votes between candidates and the addition of a vote would entitle 1 of those candidates to be declared elected, the Commissioner shall immediately apply to a District Court Judge for a recount under section 81, and that section applies accordingly, except that no deposit is necessary.

Recount

81. Application to District Court Judge for recount – (1) Where any candidate has reason to believe that the declaration by the Commissioner of the number of votes received by a candidate is incorrect, and that on a recount thereof the first-mentioned candidate might be found to be elected, he or she may, within 3 days after the public notice of the result of the election, apply to a District Court Judge for a recount of the votes.

(2) An application is to be accompanied by a deposit of \$500.

(3) The District Court Judge shall cause a recount of the votes to be commenced within 3 days after receiving the application, and shall give notice in writing to the

Commissioner and to each of the candidates or their scrutineers of the time and place at which the recount is to be made.

(4) The recount is to be made in the presence of the District Court Judge or of an officer appointed by him or her for the purpose, and shall as far as practicable be made in the manner provided in the case of the original count:

PROVIDED THAT no person is to be present at the recount except the District Court Judge or the officer appointed by the Judge, his or her assistants (if any), the Commissioner and his or her assistants (if any) and the scrutineers appointed under section 76.

(5) In a case where on a recount under this section there is an equality of votes between candidates and the addition of a vote would entitle 1 of those candidates to be declared elected the Commissioner shall determine by lot which candidate is to be elected.

(6) The District Court Judge has all the powers that the Commissioner had on the original count, and may reverse a decision made by the Commissioner in the exercise of those powers.

(7) If on the recount the District Court Judge finds that the declaration of the result of the poll was incorrect the Judge shall order the Commissioner to make an amended declaration of the result of the poll by giving public notice thereof in Form 9 and to give an amended report of the result of the poll to the Head of State. Thereupon the Head of State shall, by warrant under the head of State's hand, revoke the previous warrant and declare the successful candidates to be elected.

(8) The District Court Judge:

- (a) may make such order as to the costs of and incidental to the recount as the Judge deems just; and
- (b) subject to any such order, shall direct the deposit made under this section to be returned to the person who paid it.

82. Ballot papers and certificate to be compared on recount – (1) At a recount made as aforesaid the Commissioner shall produce to the District Court Judge all the used ballot papers, together with the certificate stating the total number of ballot papers used at the election.

(2) If on comparing the number of ballot papers stated in the certificate with the ballot papers used at the election the District Court Judge finds that any of the ballot papers have been lost, stolen, or in a way interfered with during the interval between the official count and the recount, the official count made by the Commissioner is to be deemed to be correct, and the result of the poll declared accordingly. Where in any such case there is an equality of votes between candidates and the addition of a vote would entitle 1 of those candidates to be declared elected, the Commissioner shall determine by lot which candidate is to be elected.

Disposal of ballot papers

83. Disposal of ballot papers, rolls, counterfoils, accounts, books or other papers – (1) As soon as practicable after polling day the Commissioner shall enclose in separate packets in the following manner all the parcels transmitted to him or her by the several Presiding Officers or made up and secured by himself or herself, that is to say, the Commissioner shall:

- (a) enclose in one or more separate packets all the parcels of used ballot papers, and all counterfoils corresponding to those ballot papers; in 1 or more other separate packets all parcels of unused and spoilt ballot papers; in another all parcels of ballot papers set aside under section 74 and section 78; and in 1 or more other separate packets all parcels containing ballot paper accounts, copies of rolls (except the master roll), books, or other papers, as provided in this Act;
- (b) properly secure the several packets, and endorse them with a description of the contents thereof respectively; and the name of the territorial or urban constituency, the name of the polling place and number of the polling booth; and the date of the polling; and shall sign the endorsement; and shall immediately forward the packets to the Registrar of the Supreme Court;
- (c) also at the same time properly secure and transmit to the Registrar of the Supreme Court a parcel

containing all ballot papers printed for the election and not used by the Commissioner or distributed for use to a Presiding Officer.

(2) The Registrar of the Supreme Court shall immediately give or send to the Commissioner a receipt under his or her hand for the said packets and parcel.

(3) The Commissioner shall send the master roll to the Commissioner, and the Commissioner shall keep it until the close of the next general election. A registered voter may inspect a master roll at the Commissioner's office without payment of a fee at a time when the office is open for the transaction of business.

84. Disposal of packets – (1) The packets and parcel are to be safely kept for 1 year unopened, unless a Court of competent jurisdiction orders them, or any of them, to be opened.

(2) At the end of 1 year the packets and parcel are to be destroyed unopened in the presence of the Registrar of the Supreme Court and the Clerk of the Legislative Assembly.

85. (2) In the case of someone who is not a party to the petition nor a candidate on behalf of whom the seat is claimed by the petition, the Court, before reporting him or her to have been proved guilty of a corrupt or illegal practice, shall:

- (a) first cause notice to be given to him or her; and
- (b) if he or she appears under the notice, give an opportunity of being heard and of calling evidence in his or her defence to show why he or she should not be so reported.

(3) For the purposes of this Act, if it is reported by the Court that a corrupt or illegal practice was committed with the knowledge and consent of a candidate he or she shall be treated as having been reported to have been proved guilty of that corrupt or illegal practice.

(4) If a candidate is reported to have been guilty by his or her agents of treating, undue influence, or any illegal practice, and the Court further reports that:

- (a) no corrupt or illegal practice was committed at the election by the candidate with his or her knowledge or consent, and that the offences mentioned in the report were committed without the sanction or connivance of the candidate; and
- (b) all reasonable means for preventing the commission of corrupt and illegal practices at the election were taken by and on behalf of the candidate; and

- (c) the offences mentioned in the report were of a trivial, unimportant, and limited character; and
- (d) in all other respects the election was free from a corrupt or illegal practice on the part of the candidate and of his or her agents,—

the candidate shall not be treated for the purposes of this Act as having been proved guilty of the offences mentioned in the report.

120. Special report – At the same time as it gives its certificate at the conclusion of the trial of an election petition, the Court may make a special report to the Speaker as to any matters arising in the course of the trial an account of which, in the judgment of the Court, ought to be submitted to the Legislative Assembly.

121. Signature and effect of certificate and report – (1)
The certificate and a report of the Court at the conclusion of the trial of an election petition is to be signed by the Presiding Judge.

(2) On being informed by the Speaker of the certificate and a report of the Court, the Legislative Assembly shall:

- (a) order the same to be entered in the Journals of the Assembly; and
- (b) give the necessary directions for confirming or altering the result or for issuing a public notice for a new election, or for carrying out the determination, as the circumstances may require.

(3) Where the Court makes a special report the Legislative Assembly may make such order in respect of that report as it thinks proper.

Witnesses

122. Summons and examination of witnesses – (1)
Witnesses may be summoned and sworn on the trial of an election petition in the same manner, as nearly as circumstances admit, as in the trial of an ordinary action.

(2) The Supreme Court may by order require a person who appears to the Court to have been concerned in the election to

attend as a witness, and a person who refuses to obey any such order is guilty of contempt of Court.

(3) The Court may examine a person so required to attend or a person in Court, although the person is not called or examined by a party to the petition.

(4) After the examination of a witness under subsection (3) by the Court, the witness may be cross-examined by or on behalf of the petitioner and each respondent, or any of them.

123. Certificate of indemnity to witness – (1) A person called as a witness on the trial of an election petition shall not be excused from answering a question relating to an offence at or connected with the election on the ground that the answer thereto may incriminate or tend to incriminate himself or herself, or on the ground of privilege:

PROVIDED THAT:

(a) an answer by a person to a question put by or before the Court shall not, except in the case of a criminal proceeding for perjury in respect of the evidence, be admissible in evidence against him or her in any proceeding, civil or criminal;

(b) a witness who answers truly all questions which he or she is required by the Court to answer shall be entitled to receive a certificate of indemnity stating that he or she has so answered.

(2) Where a person has received a certificate of indemnity in relation to an election, and a legal proceeding is at a time instituted against him or her for an offence committed by him or her at or in connection with the election previously to the date of the certificate, the Court having cognisance of the case shall on production of the certificate stay the proceeding, and may in its discretion award to the said person such costs as he or she has been put to in the proceeding.

(3) Nothing in this section is taken to relieve a person receiving a certificate of indemnity from an incapacity under this Act or from any proceedings to enforce any such incapacity (other than a criminal prosecution).

Costs

124. Expenses of witnesses – (1) The reasonable expenses incurred by a person in appearing to give evidence at the trial of an election petition, according to the scale allowed to witnesses on the trial of civil actions, may be allowed by the Court.

(2) Any such expenses, if the witness was called and examined by the Court, are deemed to be part of the expenses of the Court, and in other cases are deemed to be costs of the petition.

125. Costs of petition – (1) All costs of and incidental to the presentation of an election petition, and to the proceedings consequent thereon, except such as are by this Act otherwise provided for shall be defrayed by the parties to the petition in such manner and in such proportions as the Supreme Court may determine; and in particular any costs which in the opinion of the Court have been caused by vexatious conduct, unfounded allegations, or unfounded objections on the part either of the petitioner or respondent, and any needless expenses incurred or caused on the part of the petitioner or respondent, may be ordered to be defrayed by the parties by whom they were caused or incurred, whether those parties are or are not on the whole successful.

(2) If a petitioner fails for 6 months after demand to pay to a person summoned as a witness on his or her behalf, or to a respondent, a sum certified to be due to him or her for costs, and the failure is within 1 year after the demand proved to the satisfaction of the Supreme Court, a person who has under this Act entered into a recognisance relating to the petition shall be held to have made default in the recognisance, and it shall be dealt with in manner provided by section 15 of the Government Proceedings Act 1974.

126. Costs payable by persons proved guilty of corrupt or illegal practice – (1) Where on the trial of an election petition it appears to the Court that a person has been guilty of a corrupt or illegal practice, the Court may, after giving that person an opportunity of making a statement to show why the order should not be made, order the whole or any part of the costs of or incidental to any proceedings before the Court in relation to that offence or to that person to be paid by that person to such other person or persons as the Court thinks fit.

(2) All costs so ordered to be paid may be recovered as a debt due by the person by whom they are ordered to be paid to the person or persons to whom they are ordered to be paid.

Withdrawal and abatement of petition

127. Withdrawal of petition – (1) A petitioner shall not withdraw an election petition without the leave of the Supreme Court upon special application to be made in the prescribed manner.

(2) No such application shall be made until the prescribed notice of the intention to make it has been given in the territorial or urban constituency to which the petition relates.

(3) Where there are more petitioners than one, an application to withdraw the petition shall not be made except with the consent of all the petitioners.

(4) If a petition is withdrawn, the petitioner is to pay the costs of each respondent.

128. Substitution of new petitioner – (1) On the hearing of an application for leave to withdraw a petition, a person who might in the first instance have presented the petition may apply to the Court to be substituted as a petitioner.

(2) The Court may, if it thinks fit, substitute any such applicant as petitioner, and may, if the proposed withdrawal is in the opinion of the Court the result of a corrupt bargain or consideration, by order direct that the security given on behalf of the original petitioner shall remain as security for any costs incurred by the substituted petitioner, and that to the extent of the sum named in the security the original petitioner is liable to pay the costs of the substituted petitioner.

(3) If the Court does not so direct, security to the same amount as would be required in the case of a new petition, and subject to the like conditions, shall be given on behalf of the substituted petitioner within 3 days after the order of substitution.

(4) Subject as aforesaid, a substituted petitioner shall as nearly as may be stand in the same position and be subject to the same liabilities as the original petitioner.

129. Report on withdrawal – In a case of the withdrawal of an election petition the Supreme Court shall make a report to the Speaker stating whether in its opinion the withdrawal of the petition was the result of a corrupt arrangement or in consideration of the withdrawal of any other election petition and, if so, the circumstances attending the withdrawal.

130. Abatement of petition – (1) An election petition shall be abated by the death of a sole petitioner or of the survivor of several petitioners.

(2) The abatement of a petition does not affect the liability of the petitioner or any other person to the payment of costs previously incurred.

(3) On the abatement of a petition, notice of the abatement shall be given in the prescribed manner, and within 28 days after notice is given a person who might have been a petitioner in respect of the election may apply to the Supreme Court in the prescribed manner. On any such application the Court may, if it thinks fit, substitute the applicant accordingly.

(4) Security shall be given on behalf of a petitioner so substituted, as in the case of a new petition.

130A. Offence to pay money to stop petition – A person who pays money or attempts to pay money to:

 - (b) cause a withdrawal of an election petition, —
- commits an offence and is liable upon conviction to a fine not exceeding 20 penalty units or to imprisonment for a term not exceeding 6 months, or both.

General provisions

131. Withdrawal and substitution of respondent before trial – (1) If before the trial of an election petition a respondent other than the Commissioner:

 - (b) gives the prescribed notice that he or she does not intend to oppose the petition; or
 - (c) has his or her seat declared vacant in a report from the Speaker to the Head of State,—
- notice thereof shall be given in the prescribed manner and,

within 28 days after the notice is given, a person who might have been a petitioner in respect of the election may apply to the Supreme Court to be admitted as a respondent to oppose the petition, and shall be admitted accordingly, except that the number of persons so admitted shall not exceed 3.

(2) A respondent who has given the prescribed notice that he or she does intend to oppose the petition shall not be allowed to appear or act as a party against the petition in any proceedings thereon, and shall not sit or vote in the Legislative Assembly until the Assembly has been informed of the report on the petition.

(3) Where a respondent has given the prescribed notice as aforesaid, the Court shall report that fact to the Speaker.

132. Submission of report to Attorney-General – Where the Supreme Court reports that certain persons named have been proved at the trial of an election petition to have been guilty of a corrupt or illegal practice the report is to be laid before the Attorney-General.

PART 11 MISCELLANEOUS PROVISIONS
